## HOUSEHOLD HAZARDOUS WASTE

Toxic chemicals, light bulbs, batteries, computers, TVs, sharps, and other hazardous waste require proper disposal at a household hazardous waste facility.

**Metro South HHW Facility**  
2001 Washington St., Oregon City  
503-234-3000

## LARGE ITEMS

If donation is not an option, your company can pick up items too large for your garbage container (appliances, furniture, etc.) for an extra fee.

## CLEAN UP CONTAINERS & DUMPSTERS

Containers are available for clean outs and construction debris. Call your garbage company to right-size the container to your project, arrange for drop off, and determine fees and restrictions specific to your project.

## YOUR GARBAGE & RECYCLING COMPANY

Clackamas Garbage Co., Inc.  
clackamasgarbage.com  
503-656-9633

## SET OUT ROLL CARTS & BINS

- At the curb by 6 a.m.
- At least 3 feet from cars, trees and each other
- Do not block sidewalks, bike paths or driveways
- **Extra garbage?** Set out an extra bag for a small fee.

## INCLEMENT WEATHER DELAYS

In case of hazardous driving conditions, like ice, snow, heat, or heavy wildfire smoke, your pickup may be delayed. Leave your bins at the curb and they will be emptied as soon as it's safe to do so.

## HOLIDAY SCHEDULE

If your collection falls on Christmas Day or New Years Day, your service will be delayed by one day. Collection occurs as normal for all other holidays.

## NOT SURE HOW TO DISPOSE OF SOMETHING?

Call Metro at 503-234-300 or use [www.oregonmetro.gov/askmetro](http://www.oregonmetro.gov/askmetro) to find options for safe disposal, recycling, or donation. Or send questions to @RecycleOrNot on Instagram (@ReciclarONo en español).
